

# REMITTANCE/PURCHASE PERMIT FOR SAFETY GLASSES

This document entitles for vision examination and purchase of safety glasses at Silmäasema optical store. The appointment for examination can be scheduled **over our national phone number 010 190 200 or at our website [www.silmaasema.fi](http://www.silmaasema.fi)**.

Employees name \_\_\_\_\_

Class S  S-Class safety glasses are used in less hazardous work conditions and are suitable for protection against dust, debris, sparks and splashes, for example, when using hand tools.

Class F  F-Class is suitable for use under the same conditions as the S-Class, but especially when greater protection is required and when using pneumatic or powder actuated tools, nail guns, grinding equipment, or when working with objects that pose a risk of loose objects flying heavily.
